**CAUSE**

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1.	That on or about 3/29/2008, the subject consumed alcohol, in violation of Special Condition No. 1.
----	--

The subject began his term of supervised release on 11/5/2007. Immediately thereafter, the subject was referred to the Drug Aftercare Program (DAP) at Hina Mauka. As a participant in DAP, the subject is not allowed to consume alcohol while in treatment. Additionally, the use of alcohol while in treatment is prohibited by Special Condition No. 1.

On 3/30/2008, Sunday morning at approximately 7:30 a.m., this officer conducted an unannounced visit at the subject's residence. Upon answering the door, this officer noticed that the subject's eyes were red and bloodshot and that his breath smelled strongly of alcohol. Upon being questioned, the subject admitted to this officer that he had been drinking. The subject explained that he went to a club to celebrate his friends birthday and made the mistake of drinking alcohol. The subject admitted that he drank more than he should have and was suffering from a "hangover." He further acknowledged that he was aware that drinking was prohibited because he was in drug treatment. The subject apologized for his actions and noted that he would refrain from drinking in the future.

As background information, a review of the subject's criminal history reflects that he has a conviction in 2002 for Driving Under the Influence of an Intoxicant. Additionally, the Presentence Report reflects that the subject admitted that he has been drinking alcohol since age 16 and that he was a heavy drinker.

The subject's counselor at Hina Mauka has been notified of the subject's alcohol use and will address this issue in individual counseling sessions. It is noted that the subject is otherwise compliant with the terms of supervision. He maintains full-time employment as a landscaper and presents a positive attitude.

In considering the above-noted factors, it is recommended that the Court allow the subject to continue with substance abuse treatment at Hina Mauka. As a corrective measure, it is recommended that the Court impose an alcohol prohibition for the remainder of the term of supervised release.

Attached is a signed Waiver of Hearing to Modify Conditions of Supervised Release. The subject waives his right to a hearing and to assistance of counsel and agrees to the modification of the conditions of supervised release. Additionally the subject's attorney and the U.S. Attorney's Office have been notified of the proposed modification and have no objections.

Respectfully submitted by,

MARK T. NUGENT  
U.S. Probation Officer

NOTICE REGARDING MODIFICATION OF CONDITIONS

The defendant understands that any modification of court-ordered conditions is not a waiver of those conditions or of any consequence of violating those conditions. The absence of this notice does not confer, and should not be interpreted by the defendant as conferring, any rights on the defendant. The absence of this notice does not indicate, and should not be interpreted by the defendant as indicating, any position by the court or by the defendant.
